EDUCATION

Shri vaishnav vidhyapeeth vishwavidhyalaya	**2023 − 2027**
Degree – B.Tech in CSE with specialization in Data Science with IBM	GPA: 6.00*/10
Senior Secondary (Cbse)	2022
Class XII – PCM + PE	69.4%
Secondary (Board)	2020
Class X	79.8%

TECHNICAL SKILLS

Languages: c, c++, SQL, python
Libraries/Frameworks: Numpy, Pandas, Plotlly, Matplolib
Cloud Platforms: Google cloud platform(GCP)
Tools & Others: vs code,Google collab,jupyter,Excel

PROJECTS

ATM Money Withdrawal System: *15-04-25 - 22-04-25*
Tech: Pthon

Developed a console-based ATM simulation using Python that supports user authentication, balance inquiry, cash withdrawal, and transaction logging. Implemented secure PIN verification and error handling for invalid operations. Used object-oriented programming to structure the system efficiently.

Quiz Application: *02-05-25 – 10-05-25*
Tech: Python

- *Created an interactive quiz application using Python that features multiple-choice questions, real-time score tracking, and user input validation. Utilized object-oriented programming to manage questions, options, and scoring logic. Designed for scalability, allowing easy addition of new questions and categories.*
